

THE MEDICAL OFFICERS REPORT (PLEASE WRITE CLEARLY)

7-02-18 RE: EMMANUEL ASARE; 28 YRS

The above named patient reported to the Ailead Medical and Dental Centre in Accra on 20/01/18 with a one week history of missing teeth due to trauma with a blunt object and laceration of the lower lip

On examination: (1) A healing left lower lip intraoral laceration
(2) Missing teeth 11, 21

Periapical Xray of oedentulous space showed healing sockets which were empty.

Treatment done: Upper Acrylic Partial Denture fabricated for the patient.

Dr. Cindy Tagoe
