① Continuation from last visit
Seen with Dad (Nana Essandoh)

② Dad stated that patient is in the process of travelling to Maryland (USA) for studying Mechanical Engineering in September 2018 (in about 2 months)

③ Due to the length of orthodontic treatment ^{time} (12-36 months) it was agreed [Dr Matondo & Nana Essandoh (Dad)] that the orthodontic treatment should not be started but rather postponed to a date after his arrival in the USA.

④ Orthodontic MOU & Photographs CONSENT given to Dad
