

## LABORATORY REPORT

Patient Name : **EMMANUEL A. AMISSAH**

Sample Date : **22-OCTOBER-2018**

Gender / Age : **MALE / 48 YEARS**

Results Date : **22-OCTOBER-2018**

Sample No : **EAA0820170010**

Consulting Doctor : **DR. HENRY AGORTEY**

Specimen : **URETHRAL SWAB**

## DEPARTMENT OF MICROBIOLOGY

| Investigation        | Result                                                        | Units | Reference Range |
|----------------------|---------------------------------------------------------------|-------|-----------------|
| <b>URETHRAL SWAB</b> | <b>RE</b>                                                     |       |                 |
