

GILEAD MEDICAL & DENTAL CENTRE

Our Mission

To enhance life and preserve health through the provision of high quality and comprehensive care that is readily accessible, cost effective and meets the needs of all we serve.

Vision

Gilead Medical and Dental Center will be recognized for its outstanding commitment in providing world class health care and wellness promotion, by highly skilled compassionate care providers who understand comprehensive health care and apply the highest ethical and moral principles of the profession, to achieve client satisfaction.

Values

Our values are based on our faith in God. We value people and commit ourselves to treating each person with dignity, respect, compassion and sensitivity, irrespective of their social, financial or religious background.
